Sir,

Religious Institutions - Bala village - Malavur Maha Dev and Durga Parameshwari Dev - Institutions Nos.124 and 125 - Building in disrepairs - Report on.

The buildings of institutions Nos.124 and 125 Malavur Maha Dev and Durga Parameshwari Dev have been in disrepairs for a considerable time. The moktessor was given 5 months' time in December 1929 for repairs, and a further extension of ------ one year in August 1930. No attempt at repairs has been made so far, but the moktessor has again applied for further extension of time for repairs. I do not think it necessary to grant the request.

The institutions receive tasdiks of Rs.12/- and 8/- respectively by assignment of Land Revenue from holding No.37 of Bala village. The moktessor says he is too poor to repair the institutions immediately. The services in both the institutions are conducted regularly.

deposits as services are rendered regularly. I therefore request the favour of the Board's instructions in the matter.

1880 no 67-1 (7) (ii) does not appear to apply to the cases in question as the amounts are not being disbursed to the temple directly by the Government. As the services are being performed regularly, it may not be necessary to stop the payment of the allowance at present. The President, District Temple Committee proposes to appoint new trustees to the two institutions and take further steps in the matter of repairing the buildings ~~repairing~~ after the Committee is reconstituted. The Collector may be told not to take any ~~further~~ action in the matter until new trustees are appointed
